

KS4: GCSE Art, Craft and Design & GCSE Photography Year 9, 10 & 11

Here you can find information about the KS4 GCSE Art, Craft and Design and Photography courses in the Art and Design department. You can also access our department 'padlet' page, where you will find up to date information and examples of the learner's fantastic work.

“Every child is an artist. The problem is how to remain an artist once we grow up.”

Pablo Picasso

At Key Stage 4 Level learners are able to choose from five strands of the WJEC GCSE Art and Design course – Art, Craft and Design, Photography, Art Textiles, Graphics and 3D design. Art, Craft and Design and Photography are taught within the Art Department over 4 hours a fortnight; the remaining courses are taught within the DT department. As part of their GCSE studies learners move on to develop their intermediate and complex creative/photographic skills through a series of workshops. They also further develop their literacy skills and begin to independently discover and research artists, photographers and craftspeople that will have a direct influence on their creative outcomes. The GCSE Art and Design courses consist of two units; Unit 1, which is purely coursework and accounts for 60% of the GCSE qualification and Unit 2, an externally set exam which accounts for 40% of the GCSE qualification. The exam unit culminates in a 10 hour, 2 day, creative exam and both units are internally assessed and externally moderated.
